HOW TO USE THIS WORDING

Policy terms and conditions can be confusing. We have endeavoured to make it easier by explaining how to use this booklet and where you can find the information you need.

“Knowing what you are and aren’t covered for is essential to any insurance policy or quotation”

Dan Rose Cert CII, Event Insurance Services Ltd, Company Director

Your Documents

This document should be read in conjunction with two others which you have received with your policy or quotation. These documents form the basis of the contract of the policy. These documents are:

- Your **Policy Certificate** or Your Quotation,
- Your **Statement of Fact**

Your **Policy Certificate** or Your Quote will provide you with important information; it will tell you who we are covering and which of our protections you have taken out, and how much you are covered up to in the **Event/Events** of a claim.

When looking at the policy terms and conditions it is important that you check the quote or certificate, so you know which sections you need to read and refer to

For example: If you have only taken out Public Liability, you only need to refer to Section 1 – Public Liability, and not the other Sections of cover...

Your **Statement of Fact** is your copy of the information you have declared to us. It is this information which we have based our decision to provide you with the insurance or a quotation. It is vital that you make sure the information contained within this document is correct.

Important Words

In insurance, words or phrases can have special, specific meanings. If something has a special meaning, it is usually because it differs from that of a standard dictionary definition.

These words we highlight in **bold** and have their meanings explained in a glossary, or in some form of help text. The list of special words which we have put together can be found on page 7. Important definitions can affect your policy.

Dangerous Activities – Within our policies, there are certain activities which we have decided are ‘dangerous’ and not covered under our policy. In our section on Definitions we list out these activities to avoid any confusion, so you know what activities we do and don’t cover.

Where to find what you’re covered for...

When looking at your documents it is important to make sure you know which sections of the wording you need to read.

We have split out our cover into 'Sections'. You could take out a single section of cover, for example, Public Liability, or you could take out Public Liability, Employers Liability, Equipment cover, and Cancellation cover all together.

Each of these sections have their own set of exclusions; which are not covered. This can be an activity at an **Event/Events** like a Bouncy Castle, or a cause of a claim for example damage from Vandalism.

Also included within each section, are any extensions which we may be offering, such as Indemnity to Principal which you may have been asked to make sure is included by your venue or local authority.

*In addition to each Sections' individual exclusions, there are certain things which we don't cover that apply to the whole policy such as War. If something is damaged, a person injured, or an **Event/Events** is cancelled because of War it is not something we cover. These are known as General Exclusions*

Our policy document lays out our General Exclusions in their own 'chapter' before you get down to the ins and outs of each individual section.

What to do if you need to claim

If you experience an incident at an **Event** causing you to have to claim under a liability or property section, or your **Event** is jeopardised and needs to be cancelled you need to know what to do to make a claim.

Our claims chapter outlines what you need to do, what information you need to provide us and what our responsibilities are. Common things to be aware of are:

- *Time frames* - how long you must report a claim to us.
- *Salvage* - Our right to see or take ownership items involved in a claim.
- *Evidence* – All claims require a degree of evidence to ensure that the claim is honest and covered under the terms of the policy.

It is always worth reading this so you are prepared should you need to use the policy.

The last thing to be aware of is that **we** do need to be notified of any incident which takes place and could give rise to a claim in the future. As an example, someone can try to claim against public liability for a **bodily injury** for up to three years after the **Event**. Not telling us about incidents or problems could affect your position should a claim eventually be made.

Conditions of cover

In the same way there are conditions when it comes to making a claim i.e. what you need to do in the event of a claim; there are also conditions which apply to the purchase of the policy and what you should do leading up to the **Event**.

These are things like:

- What to do if you need to cancel the insurance.
- Informing us of any changes to the **Event/Events**.
- Explain what basic precautions you need to take when managing the **Event/Events**
 - Making sure you prepare and tidy up the venue,
 - Supervise and train your Volunteers, Helpers and Employees,
 - Comply with any manufactures guidelines and instructions of equipment,

- Manage the area you are responsible for at the **Event/Events** in line with all 'regulatory' requirements such as health and safety procedures.

By taking out the policy, you are agreeing to these conditions, so do make sure you read and understand them. If there are ever any elements of these conditions (known as General Conditions) or the Claim Conditions which you don't understand, do let us know and we can explain them to you.

Regulatory Information

As an authorised and regulated company, we must provide you with details about our regulation, who we are, our contact details and what to do if you are not happy with the coverage in the **Event/Events** of a claim. This information is detailed at the end of the policy document.

What you should do next...

We strongly recommend that You read this Policy and keep it in a safe place.

Your Policy and certificate should be read carefully to ensure that it meets Your requirements. You must take care to provide Us with accurate information which is correct to the best of Your knowledge. Please check all the Policy details carefully, these set out the information You have given Us.

If You think there is a mistake, or You need to make changes, You should notify Us immediately. Failure to provide correct information or inform Us of any changes could adversely affect Your Policy, including invalidating Your Policy or causing claims to be rejected or not fully paid.

It is also Your responsibility to ensure that this Policy satisfies the requirements of the Venue(s) or local council, if applicable.

Indemnity to Principal

If **You** enter into any contract or agreement with a Principal responsible for the **Venue** or the organisation of the **Event/Events**, We will, if the contract or agreement so requires, and at **Your** request, provide insurance in the terms of this **Policy** in respect of claims brought against such Principal, caused by **Your** negligence and arising in connection with the **Event/Events**, provided that the Principal shall observe, fulfil and be subject to the terms provisions and conditions of the section insofar as they apply.

Should a claim be incorrectly submitted to one of your suppliers, venue or even a local authority; however, you, as our client are at fault and the incident is insurable under our policy; we will look to indemnify the third party, as if they were insured under this policy. That is what Indemnity to Principal looks to do.

Right of Recovery

You must not waive or in any way impair **Your** right of recovery from any other party in connection with any claim or part of a claim and **You** must make available to **Us** if required, a copy of any contract or agreement into which **You** enter with any party, in connection with the **Event/Events**.

SECTION 2 – EMPLOYERS LIABILITY

We will pay damages and claimants costs and expenses for which **You** are liable at law and also defence costs and expenses incurred with **Our** written consent, up to the Limit of Indemnity stated against section 2 in the certificate, as a result of any one claim or series of claims arising out of one incident, in respect of accidental **Bodily Injury** to any **Employee** happening during the **Period of Insurance** within the **Geographical Limits** in connection with the **Event/Events**.

The indemnity provided is deemed to be in accordance with the provisions of any law relating to compulsory insurance of liability to **Employees** in Great Britain, Northern Ireland, The Channel Islands, and the Isle of Man.

You shall however repay to **Us** all sums paid by **Us** which **We** would not have been liable to pay under the terms of this section but for the provisions of such law.

Conditions specific to this section

Average

If the **Event Equipment** covered at the commencement of any loss, destruction or damage to the **Event Equipment** is collectively of greater value than the Limit of Indemnity stated against section 3 in the certificate, **You** will be considered as being **Your own Insurer** for the difference and shall bear a rateable proportion of the loss.

For example, the property You are responsible for is worth £20,000. You choose to insure it for £10,000. You suffer a loss of £5,000. Your Policy will be 'subject to average', meaning the maximum amount that You may recover will be £2,500, less any excess.

Levels of Cover

We will not reduce or increase the level of cover, or the premium charged for this section after **We**, or at point of paying a claim.

It is **Your** responsibility to adequately cover yourself prior to the commencement of the **Event/Events**.

Settling Claims

Following **Insured** damage, **We** will indemnify **You** by payment, repair or replacement at **Our** choice.

Payment will be based upon the value of the **Event Equipment** at the time of loss or damage.

The maximum **We** will pay for any one item is £2,000 unless otherwise agreed by us. If a single item limit of over £2,000 is agreed by us, this will be shown on your **Policy Certificate**.

The most **We** will pay for any claim is the Limit of Indemnity stated against section 3 in the certificate.

You must notify **your administrator** as soon as possible if any of the information in **your** policy documents is incorrect or if **you** wish to make a change to **your** policy.

If **you** do not provide accurate and complete answers to the questions **you** are asked, or **you** fail to notify **your administrator** of any incorrect information or changes **you** wish to make, **your** policy may not operate in the event of a claim, we may charge **you** and additional premium, **we** may not pay any claim in full or **your** policy could be invalid.

Changes that may affect your cover

You must tell **us** as soon as possible about any changes to the information **you** provided when **you** purchased this policy, for example:

Change of address

This is not an exhaustive list and any changes you tell us about may affect your cover or result in a change to your premium. If **you** are unsure whether a change may affect **your** cover, please contact **your administrator**.

Fraud and Fraudulent Claims

If **you** or anyone acting for **you** makes a false or fraudulent claim, which includes but is not limited to;

- making a statement to **us** or anyone acting on **our** behalf, knowing the statement to be false;
- sending **us** or anyone acting on **our** behalf a document, knowing the document to be forged or false;
- making a claim for any loss or damage **you** caused deliberately or

b) may recover from **you** any sums paid by **us** to **you** in respect of the claim; and

c) may by notice to **you** treat the contract as having been terminated with effect from the time of the fraudulent act.

If **we** exercise **our** right under (c) above, **we** shall not be liable to **you** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to **our** liability under the insurance contract, such as the occurrence of a loss, the making of a claim, or the notification of a potential claim.

We will not return any of the premiums paid.

This information may also be shared with the police and other insurers for fraud prevention purposes.

Conditions precedent

Every condition precedent to which this **Policy** or any section or item thereof is, or may be, made subject shall, from the time the condition precedent attaches, apply and continue to be in force during the whole currency of this **Policy**. Non-compliance with any such condition precedent shall be a bar to any claim under the relevant section(s) of this **Policy**, where the subject matter of the claim was caused by the non-compliance or to the extent that the non-compliance increased it.

Subrogation

If a third party is believed to be responsible for any claim, **we** may take over, defend or settle the claim, or take up any claim in **your** name for **our** own benefit. This is known as exercising **our** right of subrogation. **You** must give **us** all the help and information **we** reasonably require for the purpose of exercising this right. **You** will take no action or make any agreements that may weaken or remove **our** rights under this clause without **our** prior written permission. **We** will pay any costs or expenses involved in exercising our right of subrogation.

Other insurances

If there is any other insurance policy covering the same loss, damage or liability **we** will not pay more than **our** rateable share.

Arbitration

A dispute between **you** and **us** may arise, which may be referred to an arbitrator, who shall be either a solicitor or a barrister who **you** and **we** agree on in writing. If an arbitrator cannot be agreed, then an arbitrator will be appointed by the authorised body identified in the current arbitration legislation. The decision of the arbitration shall be final and binding on both parties and he or she will decide who should pay the costs of the arbitration. If costs are awarded against **you**, they are not covered under this policy. This arbitration condition does not affect **your** rights to take separate legal action.

If a disputed claim is not referred to arbitration within 12 months of **your** claim being turned down, **we** will treat the claim as abandoned.

Partially damaged items

At **Our** discretion, in the event an item or piece of property is only partially damaged **We** will look to cover the costs of the damaged aspects only, rather than cover the full replacement cost. If the damage is severe enough that the item cannot be salvaged, repaired and used, **We** will cover the complete loss. It is **Your** responsibility to attempt to salvage, repair and use the damaged item where possible.

If a shell scheme sustains damage to a panel, and the others along with the frame are all fine and fully functional; We will aim to cover the cost of the replacement panel, rather than the whole shell/pod. The Policy would not cover for the replacement value of the whole product unless the item couldn't be repaired. Any settlement value would also be on a like for like basis, not new for old.
